Spring Lake High School would like to announce that sophomore Liana Maitland has been recognized as the September 2010 Meijer Dignity & Respect Award Winner. She was nominated by SLHS teacher, Mrs. Lisa Henry. The nomination form that she submitted listed the following excerpt:

**Liana is an absolutely delightful young woman who is friendly and respectful to everyone. She is very self-motivated and gets tasks accomplished without fail. I truly appreciate her kind spirit and genuine curiosity for life. Liana is a very attentive listener, voracious reader, and active participant in class. She is a pleasure to have as a student and is the ideal role model for other students.**
