

Buy A Brick!

A Lasting Gift for Your Student, A Lasting Gift for Spring Lake Schools!

Dear Laker Parents,

Hundreds of customized bricks honoring Spring Lake students and their families have been placed around the SLHS flagpole. Now it's YOUR chance to let your children know just how proud you are of their accomplishments with this lasting tribute.

For a \$100 donation your 4"x8" brick will be engraved with up to 3 lines, 14 characters each.

The contributions received from the bricks go to the "Spring Lake Schools Foundation Endowment Fund." *Your gift to your own child is also a gift to all the children of Spring Lake, now and into the future!*

The Spring Lake Schools Foundation awards grants from the Endowment Fund to create innovative educational opportunities and maintain academic excellence. This past year \$21,200 was available in grants due to programs like this. Recent grants include...

- **Quaver's General Musical Curriculum**, increases musical, cultural and technological learning at the K-6 levels.
- **Robotics! Coding! Programming! Oh My!** Preparing kids for the careers of today and the future.
- **And many, many more!**

Buy YOUR brick today! Order online at <http://www.slsfoundation.org/buy-a-brick.html> Or fill out the order form below to *Leave Your Mark*. You will receive a certificate showing the brick as it will appear around the flagpole.

Bricks ordered by May 2nd will be set in place before graduation.
